Course Title: State and Economy
Course Code: PSR 405
Time Allowed: 2 hours

1. Do you agree that the nature of States in Africa is a continuity of the colonial state? If yes, justify your position by distinguishing the relationship between the indigeneous ruling class and the subordinate class after political independence in Nigeria.
2. With well-elaborated justifications, discuss the principles underlining the assumptions of the neoclassical doctrine.
3. The Structural Adjustment Programme was initiated to bring economic development to Nigerian State, but the Programme turned to be a colossal failure. Discuss.
4.
 - (a) What is globalization?
 - (b) Globalization is touted to be “a blessing and a curse...” and has “effects ... on the host community...” (Ogunwa, 2012, pp. 1, 12). In view of this, discuss four challenges confronting globalization in Nigeria.
5. Discuss succinctly and reasonably some short notes with examples on the following:
 - (a) Indigenization
 - (b) State
 - (c) Privatization
 - (d) Commercialization
